

## **ABOUT US**

**Emerging Global Impex is a leading company dedicated to producing high-quality bolts and nuts for various industries. With a commitment to excellence, precision, and customer satisfaction, we have become a trusted name in the fastener sector. We are the Manufacturers & Exporters of special industrial fasteners by both the cold and hot forging methods which is complemented by our machining division.**

**Our mission is to provide superior-quality bolts and nuts that meet or exceed industry standards. We aim to contribute to the success of our clients by offering reliable, durable, and precision-engineered fastening solutions.**

**Our Quality Analysis division monitors the raw & finished materials through the various production processes, including Heat Treatment and Plating etc. Fastener Hardness, Mechanical and dimensional tests are carried out using the latest Tensile Testing and product verification methods. Components are produced to meet various ISO and international specifications and quality certified documentation is supplied on request.**

## Our Vision

Emerging Global Impex aims to help industrial, structural & automotive industries by manufacturing high quality fasteners with unbeatable service & support, respecting our natural & social surrounding sat all times.

EGI aims to fulfil our commitments towards our organization, customers and collaborating companies even in opposing circumstances, maintaining high levels of commitment.

## High Tensile Hex Bolts

<b>Grade</b>	8.8, 10.9 & 12.9
<b>Standard</b>	DIN 933
<b>Thread Type</b>	Full Thread, Half Thread
<b>Diameter/ Thickness</b>	M6 - M24
<b>Length</b>	6 mm - 200 mm
<b>Assembled Items</b>	Washers, Nuts
<b>Finish</b>	Black Phosphate, Zinc Plated

## Carriage Bolts

<b>Standard</b>	DIN, ISO, ANSI, Non-Standard
<b>Diameter/ Thickness</b>	M6 - M24
<b>Length</b>	6 mm - 200 mm
<b>Assembled Items</b>	Washers, Nuts
<b>Finish</b>	As per customer requirement

## Allen Bolts

<b>Standard</b>	DIN, ISO, ANSI, Non-Standard
<b>Diameter/ Thickness</b>	M6 - M24
<b>Length</b>	6 mm - 200 mm
<b>Assembled Items</b>	Washers, Nuts
<b>Finish</b>	As per customer requirement

# Our Products Range

## Self Drilling Screws (SDS)

<b>Material</b>	Carbon Steel - SAE 1022 / C1022
<b>Standard</b>	DIN, ISO, ANSI, Non-Standard
<b>Head Type</b>	Hex Flange, Wafer Head, CSK (Countersunk) Head
<b>Diameter/ Thickness</b>	#8 (4.2), #10 (4.8), #12 (5.5)
<b>Length</b>	1/2" - 4"
<b>Drilling Capacity</b>	#4 (Upto 8mm), #5 (Upto 12mm), #6 (Upto 16mm)
<b>TPI</b>	14, 24
<b>Finish</b>	Zinc Blue

## Self Taping Screws

<b>Material</b>	Carbon Steel - SAE 1022 / C1022, SAE 1010, SAE 1018 etc.
<b>Standard</b>	DIN, ISO, ANSI, Non-Standard
<b>Head Type</b>	Hex, CSK, Truss, Pan etc.
<b>Diameter/ Thickness</b>	ST 2.9, ST 3.5, ST 4.2, ST 5.5, ST 6.3
<b>Length</b>	3 mm - 100 mm
<b>Drive Type</b>	Phillips, Combination, Slotted, Socket, Torx etc.
<b>Screw Tip</b>	AB, B, Dog Point, Bt-Cut etc.
<b>Finish</b>	Zinc Plated, Nickel Plated

## Drywall Screws

<b>Material</b>	Carbon Steel - SAE 1022 / C1022
<b>Standard</b>	DIN, ISO, ANSI, Non-Standard
<b>Head Type</b>	Bugle Head
<b>Diameter/ Thickness</b>	#6 (3.5), #8 (4.2)
<b>Length</b>	12 mm - 100 mm
<b>Drive Type</b>	Phillips
<b>Screw Tip</b>	Pointed Tail
<b>Finish</b>	Zinc Black

## Quality Policy

At Emerging Global Impex, we are dedicated to delivering superior-quality bolts and nuts that consistently meet or exceed the expectations of our customers. Our commitment to quality is integral to our mission of providing reliable and durable fastening solutions. We adhere to the highest industry standards and continuously strive for improvement in all aspects of our operations.

***Our goal: Quality is not just a standard; it's our commitment to excellence with zero errors.***

The following quality standard that we follows:

- We procure raw materials from vendors who have a proven track record of providing high quality product.
- Tracking is maintained throughout our work flow and test certificates are stored in our system.
- Our quality control department is fully documented and records are kept on all internal testing.

We are committed to providing superior quality fasteners to our customer.

## Our commitment to total customer satisfaction includes;

- Our latest manufacturing technologies and equipment.
- Highly trained labour and capable personnel.
- Supported by appropriate professional staff.
- Team environment of Total Quality Management.
- Quality Control Lab committed to providing fastener quality testing analysis to our clients.

## Our Manufacturing

Our modern and well-equipped manufacturing facilities employ cutting-edge technology to ensure precision, efficiency, and consistency. From material selection to final inspection, our rigorous processes guarantee the reliability and durability of our products.

Emerging Global Impex serves a global clientele through a robust distribution network. Our presence in key markets allows us to meet the fastening needs of diverse industries worldwide.

We offers a comprehensive range of fasteners tailored to diverse industries, including:

- Standard Bolts and Nuts
- Specialized Fasteners
- High-Strength Bolts
- Stainless Steel Bolts and Nuts
- Customized Fastening Solutions
